

## John N. Gardner

July 16, 2021

1939 -2021

John N. Gardner, age 82, a resident of Las Maravillas, has gone to be with his Lord on Friday, July 16, 2021, following a hard fought battle with dementia and macular degeneration. He had a prestigious career with the Federal Aviation Association (FAA) as a software engineer, where he retired from after 33 years. John loved to travel, do leather and woodwork, scuba dive, fish and camp. He loved his wife and children very much and all his friends at Bosque Farms Community Center, where he and his wife volunteered for many years. John especially loved his cat "Abbie".

John is preceded in death by his dad, Lester Gardner, who died in WWII; his mother, Eva Gibbs; in-laws, Ernest and Laca Chavez; son, Damian Gardner and daughter, Carmel Garcia. He is survived by his loving wife, Ida, of 46 years; daughters, Michelle Baca, Patricia Gardner, Mara Segal and Tonia Pena; son, Anthony Salcido and "adopted" daughter, Sherri Baldonado; brother-in-law, Edward Chavez, and niece, Teresa Westergard; nephew, Tom Coates and several grandchildren and great-grandchildren. Special thanks to Ambercare, especially Molyka, Joel and Bill. Services will take place on Monday, 7/26/21 at Romero Funeral Home Chapel, beginning with a Visitation at 5:00 PM and a Rosary to be recited at 6:00 PM. The Final Visitation will take place on Tuesday, 7/27/21, at 10:00 AM with the Funeral Mass at 11:00 AM at Immaculate Conception Catholic Church in Tome, NM, and Interment to follow at Tome Catholic Cemetery. “ We will forever remember John as being so friendly. He could roast up the best tasting turkey with his own apple wood. We loved camping with him, he was always there to help if needed and told wonderful stories. We will miss him.

“ My condolences go out to all John and Ida’s family! John was my father-in-law that gave me one of his treasures, his daughter Carmel, that he and I loved so much. He lost two of his siblings which must be the worst thing any parent would have to deal with. But his faith in God was so strong that he knew his daughter Carmel and his son Damien are in heaven at peace with God and he will reunite with them now. I learned a lot from John, especially about religion and woodworking. He was so proud of his beautiful wood work. He always had a glow of happiness showing me his talent. He will be missed by his family and friends. We love you John

“ Cousin John, you have left my life, but you will never leave my heart. I treasure all the wonderful family times we spent together. I will miss your laughter and your contagious humor. Rest In Peace John, until we meet again. Barbara and family.

“ Whether on an outing or over lunch, I always enjoyed walking and talking with John. At times, we shared concerns for the well being of our family members, bearing one another's burdens and encouraging one another. At times, we just shot the breeze. He was a joy to be around, having a gentle, good spirited nature and a good sense of humor!

My father died when I was in my early 30's. John did much to fill that void in my life. He will be sorely missed!

“ John was always my favorite "old man" that I knew and was the closest thing to a grandfather that I had in my life. We always spent a lot of time laughing together whenever we would visit with him. He was the nicest person I knew and I lived his hugs! He was a very special person and he made the world better by being in it. I love you John and hope you are at peace!

“ I want to not only honor the memory of my father, but to honor his wife Ida. I believe that my father found purpose in his life and was a good man because he had a wife that gave him strength. Marriage is hard enough but when two families are blended together, it took being unified to see through those challenging times.

Daddy, over the years you imparted to me an unspoken quiet truth; which is, to celebrate when we conquer one of our demons and to celebrate each other's accomplishments; to encourage each other to be the healthiest and happiest individual we can be. It is then that we truly become a value to each other and to the world.

With eternal love and deep gratitude,  
Mara Segal (your youngest daughter)

“ Our family will always remember Uncle John as the Fun Uncle, the Magical Uncle.....the one with all kinds of tricks up his sleeve!! You gave all of us much love and happiness through the years I've attached a few pics of our last fun times together. The cake fight that Bev spoke of in 2002 and then our family reunion of 2010. Love the picture of you with a few of your Idaho nephews

“ I wanted to share a very fond memory from a family reunion at Gene and Theresa's. It was a very memorable day that ended with a cake fight. I do remember we decided that day John would be known from that moment on as "John cake in the face". We do have pictures! Seeing Theresa and John laughing so hard while covered with white frosting all over their heads is definitely one of my favorite memories.

“ John, you are in complete peace now. The kids and I will miss you. We loved for your kind, comforting, and sincere spirit. I can never forget you being supportive when I was at your home and in shock on 9/11. And driving back to Iowa with me, so I didn't have to go it alone. I was always so happy that you treasured the John Gardner peony that I found for you. You were such a wonderful father figure in my life, and I truly loved you. Fly with the angels John....until we meet again!

**Sherri Baldonado** - July 18, 2021 at 04:58 PM

“ John, if you can read this from wherever you are, I want you and your family to know how much you will truly be missed. You really were the epitome of what a good man is supposed to be. Wherever you are, I hope you're having a blast!

“ My father was my best friend, my confidante, my spiritual advisor. Dad and I worked very well together no matter what we were doing. In fact I knew what tool he needed before he asked me for it. I was his right - hand man whenever we built fence, hauled wood, worked the land, etc. I will miss you so much. I LOVE YOU, DADDY. Your oldest daughter, Michelle.
