

Joyce Cordova

December 20, 1954 - September 13, 2020

1954 -2020

Joyce Cordova, age 65, beloved mother, sister, and friend passed away peacefully at home on Sunday Sept 13, 2020. She was born in Albuquerque, NM, and moved to Los Angeles, CA when she was 2 years old. Joyce grew up in California and raised her family there, then later moved to New Mexico for the slower pace of life. She worked to support her family throughout her life, and worked as a fitness instructor, a costume designer for a band in North Hollywood and a florist. Joyce would tell you her proudest title was being a mom. "I love yous" and hugs were abundant. She had a strong faith in God. Joyce loved gardening, flowers, baking and eating cookies, hanging out at the beach, and being with family and friends, rock and soul music like Stevie Nicks and the Supremes, laughing and dancing. Her smile would light up a room. She was not judgmental, but cared about getting to know people and help them if she could. In 2005, Joyce was diagnosed with Parkinson's disease and later Lewy Body dementia, which she fought until the end. She will be greatly missed by all that knew her.

Joyce is preceded in death by her mother and father, Libby and Frank Cordova; brothers, Mickey and Candy; and ex-husband Mike. She is survived by her daughters, Amber and Brande; sisters, Terrie and Marie; brother, Joe and many nieces and nephews. Mom you are never far, always close in heart. You are free. Fly high our sweet Angel. Services were held at Romero Funeral Home Chapel on Friday, September 18, 2020. In lieu of flowers, the family asks that donations be made to the Michael J. Fox foundation in her honor. Please sign Joyce's online tribute at www.romerofuneralhomenm.com Romero Funeral Home, 609 N. Main St., Belen, NM

“ Your mom's smile surely did light up a room! Our hearts deeply share in your loss and I will miss her but never forget her. Joyce was so kind, caring and funny too and I enjoyed our conversations. She was always concerned how a person and their family was doing- bless her heart! As for her proudest job of being a mom she excelled at that because she raised you two loving and caring daughters. Your mom was strong and faithful in the midst of her illness. She always was in God's care and now she is in His Heavenly Presence in her eternal reward. Prayers for you for God's comfort as you mourn and God's blessings to you both and keep you safe! Love always!
