

## Thomas A. Tabet

April 7, 1949 - November 30, 2020

1949 -2020

Thomas A. Tabet, passed away on Monday evening, November 30th, due to Covid related complications. He was 71. We embrace a beautiful image of his niece, Cathy, and his mom, Lily, bringing him home to the Lord. Tom graduated from Belen High School in 1967, received his BA from the University of New Mexico in 1971, and his law degree from Georgetown University Law Center in Washington, DC, in 1975. He practiced law in Albuquerque for over three decades. Tom was preceded in death by his parents, Joe and Lily (Baca) Tabet; brother Herman Tabet; and brother Wilfred Tabet. Tom is survived by his daughter, Celena Tabet, husband Steven Jaquez; his son, Jeffrey Thomas Tabet, partner Jeremy Jimenez; his grandchildren, Miguel, Gabriella, and Aria; siblings Dolores (Eugene) Schiess, Fidel Tabet, Gloria Trujillo, Lorena (Gilbert) Sanchez, and Richie (Sue) Tabet; and his wife, Michelle Tabet. Tom is also survived by many nieces and nephews. The family would like to thank the Staff, especially Tom's caregivers Emi and Gary, for the extra special care they provided for him during his almost eleven year stay at Manzano del Sol. Tom's children would like to give a special thank you and blessing to Dolores and Eugene Schiess, Tom's guardian angels, who made sure that he was comfortable, well cared for, and that all his needs were met. As we have received many, many calls, cards and texts of condolences for Tom's death, we reflect on the common themes we received of Tom's life. Over and over we heard "he was such a good guy..., he helped me and my family out of difficult situations..., he loved his children." Trying to reconcile our loss, we believe Tom's final message to us would be to live life to the fullest. Tom would tell you that if you have a problem with drugs and alcohol, get help. If you obtain sobriety, work at it everyday like your life depends on it, because it does. If you are hurt or angry with someone, forgive them and don't give up on them. Life is short and family is everything. Services will be announced later as the family works out details because of Covid limitations. “ Michelle & Family; Tommy's Loving Siblings,

It is always a nameless sadness and tears that roll when a loved one passes on. But in time, rest does come to unlock grieving hearts. I suppose comfort comes knowing that a loved one in keeping with his/her faith lives in that continuity found only in eternal life.

Tommy is now at rest enjoying the benefits that come with the faithful. He is now in the hands of God. May he rest peacefully in eternity.

I send sincere condolences on behalf of Sue, our family and myself.

“ Tommy was one of my classmates all through school, from elementary to high school. Of course, after graduation from high school, we all go our separate ways, but still have a place in our hearts.

Rest in peace, my friend.

“ Tom and I were fraternity brothers (Sigma Phi Epsilon) from the late 1960s through the early 1970s. I'll always remember Tom's laugh, smile, and good cheer. Tom and I went our separate ways after graduation and so lost track of each other. My sympathies to his family and please know that even after all these years I will miss him!

“ I had known Tommy since we were in college together. He was always upbeat and friendly with virtually everyone he met. Although his life took a tragic turn eleven years ago, when I visited him at Manzano, it was clear to me that he had that same countenance that he always had. Rest in Peace, Brother
