“ It is with profound sadness that we are giving our condolences to Patsy and her family on the loss of her beloved husband and father and grandfather to her children and grand and great grandchildren. We remember Abram as a respectful, well liked and mannered man. That was our first and last impression of him. I worked with Patsy for over 20 years and I witnessed much Love and Respect they had for one another!💕💕. And Patsy thank you for sharing years ago you and Abram’s favorite song, “Time in a Bottle” by Jim Croce. I listened closely to the words and tearfully understood why!❤️ Love you Patsy and May God Be With you all during this difficult time.🙏

“ *Auntie Patsy, cousins, and families, My heart breaks for you all with the loss of Uncle Abram. His example of his faith was/is so admirable and I loved seeing him at Mass. Sadness is followed for me with great joy of thinking what he is experiencing up there in the presence of God. Wow, he must be sooooo happy. Auntie Patsy, you will understand when I say, "He was a 'great' uncle and me and my 'heathen' husband are so happy that you both stood for us in our wedding! Thanks for all the prayers you both have said for us along the way. You both are our role model to follow. Sending prayers for comfort and consolation, love you, Arleen :)*
