“ MaryAnn, Marvin, Marilyn, Marsha, Michelle, MarvaJean, Melanie & Missy, I'm so sorry for your loss! A parent's passing is so difficult no matter what age they are or we are. I've been praying for you all during the time he was in hospice when Marilyn let me know. I am continuing to do so now as well. Your parents were always so kind to me back in junior high and high school. I have such fond memories of them both! May your memories move from a place of pain to a place of comfort soon. I am thinking of you and wish I could be there in person.

Love,
