Over the years we became good friends and since then I relocated to Los Lunas to take over the Melloy Auto Group where we met up again. “ My heart broke when I found out Adam had passed. Adam and Ruby have always been one of the very sweetest couples and brought joy to everyone who visited with them because of their beautiful love for each other. It has always been a joy to see how good they treated one another. Such a beautiful love will live forever. Condolences to his children and grandchildren; it is very difficult when you lose a father and grandfather but he will live on through the memories and stories shared until everyone meets each other again in Heaven. Hugs and love to Ruby, losing the love of your life so soon after losing your brother. You are a beautiful and strong woman and I know the love you have for your children and grandchildren will keep you until you and Adam are reunited in love. Prayers for all of you.

“ Ruby and family, Adam was such a special man that loved you all so much! He would light up when talking about his family always enjoying the time he got to see them. I will never forget our lunches together where he shared his advice and wisdom about how life should be lived. He was always encouraging me to live my life the best way I could. He lived his life doing what he loved which was spending time with his wife, family, friends and working on his land. A true cowboy from his hat down to his boots! He will not be forgotten because he had an impact on everyone he met! 🕊
