“ Friends and family... Let's remember Ida ... A wonderful woman who has been a part of our family forever. I know we share many fond memories of her as well as all her children and many grandchildren and other family members as over the years our families have been together as part of God's wonderful plan. He has shown us his awesome and mighty power through the years and even more through Ida as she surrendered her life to him. What a great testimony as God showed his love for Ida even unto the end. It has been an honor to know and love her as my very dear friend and awesome mother all these years. And to all those she has left behind ... to God be all the glory! Ida is home!
