“ Dear Elfigo, Kathy, James and Victoria, and Family: I am so sorry to hear of your Wife's and Mom's passing, she was such a wonderful person.

I share in all the wonderful memories each of you have of her, always attentive to your needs and all those people around her. She never once hesitated in assisting all of us, she was always visible and so helpful when I was your teacher and administrator, and we all know she loved each of you dearly!

Her family was her life, and every one of us knew that, and that is such a Blessing, cherish that, and cherish her faith and her strength, which each of you have been Blessed with!

I am so sorry I was unable to attend her services, I was out of town. Kathy, James and Victoria, please know that I am thinking of each of you, and cherishing the many wonderful memories I have of all our time together, with your Mom and Dad always standing by your side!!!

Many Blessings to each of you, Love, Mr. Paul T. Luna.

“ To the Carabajal family I am so sorry for your lost I remember your mom from my days at Bosque and I reconnected with her in recent years and after all those years she still remembered me I use to talk with her when I would see her at the bingo hall in Isleta and she was always so kind and would tell me about the family when I last seen her she told me she was moving to Arizona so it is with great sadness I heard of her passing. My thoughts and prayers to you all and I will always remember your mom as a kind and gentle soul may she always rest in eternal peace. Marcelina Abeita

I am so sorry to hear of the passing of Addy. I was just wondering about her and Elfigo the other day. I always enjoyed them as neighbors and seeing them in the Casino. Velma
