“ A lovely and beautiful soul has begun her journey to her reward in heaven. How blessed was she to have lived such a long and productive life! And what a blessing for her family to have had her for so long. Dona Aguida, as she was known by in our family, was loved and respected by my mother Concha. I was lucky to have visited her a year or so ago. Dona Aguida proudly showed us all the books she had read and the book she was presently reading! Wow, we were amazed at her intellect.

My condolences to all the family....

Again, how fortunate to have had your Mother, grandmother, great-grandmother all these years!

God Bless you All!
