“ Alberto: Sorry for the loss of a fine man. Really enjoyed playing against him and the "A's" slow pitch softball teams for many years. He was a competitor and leader of the team. Also, was an excellent yard supervisor for RAKS. On several occasions I would place our youth participants to work for the company. Alberto was their immediate supervisor. Each an everyone of the youth had glowing words to say about his leadership and guidance. Many have gone on to have solid careers. Also, thanks for serving our country as a US Marine. We are all so very proud of you. Respectfully, Frank A. Gurule - former Valencia County Commissioner - Village of Los Lunas Councilman.
