“ *Cousin Bobby Martinez remembers Alice as an angel, always giving to others in her family and extended community. Alice and Manual always welcomed us wholeheartedly into their home, along with many cousins, every time we were able to visit from Washington state. Alice talked so lovingly of her children, grandchildren and the senior citizens she visited often in nursing homes. Alice and Manual visited us in Washington once and I (Lois, Bobby's wife) could not believe that I found Alice one day up in my huge garden pulling weeds for me. What a dear, caring, considerate, helpful person she was. We loved her dearly.*

*Please know that our hearts and prayers are with you Manual and family. May you find peace and solace in your faith. With love,  
Bobby and Lois Martinez*

“ Please accept our sincere condolences for your loss. We are so sad to learn of her passing.

*We remember Alice with her nice personality and infectious smile. She was full of life. She and Manual attended our 50th reunion celebration at Menaul, 2011-class of 1961, (her sister Marty was being honored along with her 8 other classmates). They also attended the Friday evening Baccalaureate service at First Presbyterian Church before graduation.*

“ Greetings from Denver, CO at a time of loss, celebration, and grieving. One thing that comes to mind at times like this, if you relate them to family . . . Yes, the Menaul Family takes me to the remembrance of "Take The Name of Jesus with you, child of sorrow and of woe -- Take The Name of Jesus, take it then wherever you go." This has always been with me, and I share it along with my sincere condolences and heartfelt sympathy to the entire Romero, Arellano, and Martinez families, as well as others that may be associated by another name.

*I had the pleasure of knowing a few of the Romero (Lencho, Marty, Alice, Damacio, etc.) family, and of course Augustine Arellano in my association with them through Menaul School . . . some memories are vivid, and what I personally convey to the families at this time is to continue in gratitude attitude, love, peace, and happiness.*

“ Dear MG, Monica, Trey and Miguel,

*Alice was the most caring person the I have ever had the pleasure of knowing. She was always ready to help friends and neighbors with unending energy in anyway she could. She possessed many talents. Your loss will be felt by many. She was surely an extraordinary person. Norena and I especially enjoyed having you guys as neighbors for almost 40 years! During that time we got to know Alice as a very loving and caring person. We were blessed to have known her and to have experienced the fruits of her loving care.*

*She is now in heaven with Jesus and with all His angels and saints! May our Lord Jesus Christ bless and comfort your family during this time of grief. Please accept my deepest condolences.*

“ Alice was one of a kind. She lived her life with such grace. Her love and compassion for all will long be remembered and appreciated. She has touched many many lives and hearts and will truly be missed.

*Manuel and Alice's home was always a favorite for our cousin reunions. Alice was always making sure everyone had something to eat. You never went into their home that she wasn't trying to feed you. She was such a beautiful, caring woman. We loved her dearly.*

“ When my son got married, we had all these flowers on the tables, I didn't know what to do with them. She came over and said, No worries, I will handle it. She gathered them all up, rearranged them in vases and took them to a Rest Home in Belen. She thought I did a lot for her, but she did so much more for me. Manny, Monica Trey and Miguel, my condolences, We will miss her so much. "thanks for always checking up on me Alice" I'm gonna miss you.

“ When I was a boy she gave me rides home when I needed them. When I was a guest and was hungry she fed me. When I was a guest and wasn't hungry she fed me. She always asked about me and my family. Alice and Manny were always willing to help family and friends through difficult times. She always gave great advice and said it kindly. She raised my childhood and current best friend and helped care for all of us. Martinez/Romero family and loved ones we are so sorry for your loss.
