“ A letter to my cousin in heaven. They say there is a reason, they say there is a time will heal, neither time or reason will change the way I feel. Gone are the days we used to share, but in my heart you are always there.

The gates of memories will never close. I miss you more than anybody knows.. Love & miss you everyday till we meet again, Always & Forever❤️ Happy birthday my love❤️

“ I thought of you today, I miss you so much. I sit here & think sometimes it's not fair.. why did you have to go, you didn't get to experience a lot of stuff cause you were taken so soon. I wish you could meet your baby

cousins. I have a son & a daughter now, I know they would've loved you 😊 I miss you so much, keep visiting me in my dreams & protecting me. There's not a day that goes by I don't think abt you & wish I can give you a hug one last time. Until we meet again, I love you so much ❤️

“ hey it’s olivia <3 i know i haven’t wrote anything yet there’s not a day you don’t cross my mind, i try not to think about it as much anymore because it hurts and i still can’t believe what happend.. so much has happened since you left, i have a baby now his name is alijah, i promised myself whenever i have a daughter i will name her after you❤️ i wish you where here to see him, i know you would love him so much. you’re grandma julie is doing good, there’s times where she gets sad and i make sure she gets in a good mood again. i’m planning on going to school to be a mortician! but for now i have to focus on getting my GED. damn, you’d be 20 already. i wish i can go back in time and cherish the moments we had together. i still have all the clothes you gave me, i make sure no one gets them, they still smell like you.. i can’t wait to see you again and catch up on things, but for now i have to live a life without you in it :/ i know you’re watching over me , you’ve gave me dreams and i think that’s what made me have my closure ❤️ i love you so much you don’t even know, i hope you’re having a fun time up in heaven. i know your life was tough and the system did you dirty but one day i want to get closure and find out what really happend to you. i love you bbg, you deserved so much more.❤️
