“ I just found out today... I'm sorry I'm more than six months late. You were one of the most beautiful souls I met back in the day at Upward Bound. I took a break from Facebook, only to come back and find out that while I was only thinking of myself, friends of mine were also hurting. I have photos and memories of our trip to Denver that I will always cherish. Thank you for being you and for the beautiful imprint you left behind.

“ I am so very sorry to hear of this. I remember Little Alvin, as we called him, coming to Bloomfield when he was a baby and was always a little character. I remember coming back for a visit from the Navy and had gotten him and his sister Katalina t-shirts from one of the ports I had been at, they were both so excited about that. I will miss you forever Alvin, you were always such a good kid and always had a smile on your face. You always were happy to see me no matter where we were.

*My deepest condolences go out to your sisters, Katalina and Jaylene, and your brother Richard. Remember guys, I am always here for you. Condolences also to your dad Alvin and your cousins, Ben and Joseph.*

*Love you all.*
