“ I grew up across the street from Alvin. I was great friends with Sherri and Charlotte for many years. Alvin was a sweet and kind man. Fondest memory was him taking me into his shop and showing me his treasured Star Trek collection.

Ruby, Sherri, Charlotte, and Cassandra.. I hurt for you since I too have lost both of my parents. Praying for y'all.

Sincerest condolences,

Karen (Stokes) Germain

“ Aunt Ruby, Sherri, Charlotte, Cassandra, and Family,

I am saddened to hear the passing of your father. Laura, Gwyneth, Holden, Finley and I extend our condolence to you and Shore family. When Ben and I arrived in Bosque Farms, your family welcomed us with open arms as if we have been infused into the Shore family from day one. The memory that pops into mind when I hear of your father's name is when I received a gift from your family on my birthday. The gift was a Hot Wheels loop track kit. I am unsure if our parents had a competition who can gift us with the noisiest toys. At the time of receiving the gift I was naïve to the true meaning. As I reflect on this one of many kind gestures your father have demonstrated. His warm hearted, kind spoken words, his will to help others in need, and drive in life left a rippling effect in our lives.

“ Je suis Français et je ne connaissais pas Alvin. En 2010, j'étais de passage à Albuquerque, et j'ai rencontré Alvin un Samedi. Pour que je ne passe pas le Dimanche seul, Alvin m'a invité chez lui dans sa famille, nous sommes allés au restaurant Mexicain avec sa femme Ruby et il m'a fait découvrir sa passion pour le karaoké. Je n'ai pas oublié ce moment passé en sa présence, c'était un homme généreux,

Je pense à ces proches dans ce moment douloureux

J'adresse mes sincères condoléances à sa femme Ruby ainsi qu'à toute sa famille.

“ I once wrote a book long ago talking about the DASH, that small symbol between the date of birth and date of death, and how important the DASH is. The DASH is the life, life you shared with your family and friends. Alvin, your DASH made a huge impact on all of us. Equally, your passing will leave a huge void. We knew each other since we were teenagers, we did so many things together throughout those years. We challenged each other, we learned from each other. Thank you for all those wonderful years. May you find peace now like never before. Until we meet again. Tim
