“ Dear Amarante Carabajal Family,

*I am so sorry to hear about the passing of Amarante, my neighbor and friend of the Family. He was a nice and respectful gentleman and I enjoyed working with many members of his dear family, most especially my dear friend, Angela. When he found out I was from Lincoln County, he sent me an article showing that he had roots from there. We had quite a discussion about it. It turns out my family was also from San Fernandez. He was very intelligent and knowledgeable. May God bless you the family, and our prayers and thoughts are with you.*
