“ I met Tacho Luna working at the Los Luna's Hospital and Training School Back in 1979. Then in Dec 2013, Tacho moved in at my Assisted Living Home.. We talked about the good times at the Training School. I asked him let's go eat at the senior center and go take a trip around the Training School, we talk to the new crew there.. I met Tacho while we both worked at the LL Hospital and Training school. He was always cheerful and had a smile with something nice to say to everyone. I know you will all miss him very much. May the Lord be with you now and through the days to come. Velma Hardesty
