“ *You were like our sister in every way growing up and I'll miss your beautiful smile and laughter we had all the time at my mom's. I can't believe you're gone and how hard it is to see that your gone is so shocking to me and my family. Just know you were so loved and missed by us. Rest in peace baby sis. I was blessed to love and know you.*

“ It's always a shocker on something pops up like this. I left New Mexico when I was 18. I really don't know what to say but this is sad. She was still a young lady. I will pray for your kids and I hope that your parents and your brothers and sisters are doing well. Even though they probably do not remember me.
