“ We lost our "brother" and friend, Andy Berish, on Monday, Aug. 3, 2015. What do you say about someone who has been an important part of your life for over 50 years?

We met Andy when he started dating my sister Betty in 1962 while he was serving in the Air Force and Betty was living with us and working in Albuquerque. I had always wanted a brother and that happened when Andy and Betty were married on July 3, 1964. Even though we lost Betty to cancer on September 19, 1983, Andy has continued to be a good "brother" and friend and an important part of our family. He will be missed!

We love you Andy,
Donna and Lloyd Haslett

“ *Donna and Michael Berry, your neighbors send our deepest condolence and regret upon learning of Andrew's passing.*

We have always regarded Andrew and Connie as our very best friends and neighbor. We remember Andrew outside with a herbicide sprayer attacking the weeds along the street on our side too, of course we had to get our own sprayer and reciprocate. We enjoyed the company and joyful comrades shown to Emily our former adoptee whom has since moved back to Texas.

God bless all of you,

Michael and Donna Berry

“ *I remember, I wasn't even married to Clint, yet. We had a family gathering of some kind, can't remember what, and Clint and I went up there on our wheelers--I had just bought mine. My fender caught the fender of Andy's new, fancy van and ripped it right off. I told him I would pay to fix it. He didn't even yell at me or anything. The last time I spoke to Andy, he gave me a hug. God be with you until we meet again, Andy. Love you.*
