“ My condolences to the Martinez and Apodaca families. Andrez was such a blessing to have as a student. He always did his best and exemplified real character in his treatment of others. He was also kind and respectful and had a wonderful sense of humor. He never let me forget the time I leaned up against a table in class and it broke. He was laughing as he helped me get up. Loved this kiddo...I still can't help but smile when I think about Andrez. 🙏❤️😭

“ I'm so sorry for your loss. Andrez will be missed. What has helped me in times like these is what Jesus said at John 11:25, "I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life." I hope this will comfort you as it has me. If you need anyone to talk to, please feel free to reach out to me.
