“ *Delfine, I am so sorry to hear of your mama passing away. Her beautiful smile will forever be in my heart and mind, I never had the chance to tell her that every once in a blue moon, I'll dream that I'm running around the house looking for my shoes because the the bus is coming over the ditch, and then I run out just in time, and then the bus door opens, and I see your mama's smiling face...May her beautiful soul rest in peace. You, your Dad, brother and all your family are our my prayers.*

Seferino, Delfine, Reno, Grandkids ,Siblings of Angelina, we are so sorry to hear about her passing. Angelina was one of the finest, kindness, loveliest persons I have ever known. I first knew Angelina as my boys school bus driver. They all adored her, as far as they were concerned, she should have been given the Bus Driver of the year Award every single year! She was so patient, no matter how noisy that bus got, she always had a smile on her face and kind words for the kids. They always appreciated her and remember her kindness to this day. To her family, I know how much you will be missing her, but I know you will find consolation in knowing that she now rests in peace! Fly high Angelina!
