“ I am so sorry for the loss of your beautiful and lovely mother, grandmother, aunt and friend. I was the one that babysat, hung diapers, played school with the neighborhood youngsters and most importantly, listened and stood in the shining light of your mother's aura. She was always gracious and kind. She had been on my mind for The last couple of weeks and I am sad to see the end of era. Little Lisa called my mom Lula. So many wonderful memories of us as neighbors. Be at peace for I'm sure she flew straight into the arms of God and now she sees your dad, my mom and my dad. Take care, Diana Espinoza Bateman

“ I was sad to hear of the passing of Mrs. Trujillo. She was my first "boss" when I worked at the A&W. I had so much fun working with the Trujillo family. She was very dedicated to her family and was committed to teaching all of us to be good employees (while having some fun too). Jeff and I would like to offer up our deepest sympathy to her family Heaven got another angel! May she RIP. Jeff and Becky Hunter

I am hoping that my auntie Angelina will be remembered for her honesty and that she was a devout catholic. I was saddened that she left Belen when she did. I'm sorry that I was not able to visit her. I will remember her and pray for her.

“ Our condolences to the Abeyta/Trujillo family. My mom, Lena Salas, was a first cousin to Angelina. Even though they were only cousins they had a lot of facial similarities. I always enjoyed running into Angelina at the grocery store (when she was in Belen) as she reminded me of my mom who had already passed. May your memories of your mom bring you peace and comfort.
