“ *My condolences to Amanda, Aaron & family. What can I say about this very special lady? Angie was a fantastic cook/baker who managed the BMS cafeteria for many years. Her staff loved working for & along with her! Angie taught me so many things regarding foodservice. I sincerely loved working with her. I will miss her sweet smile. Rest in Paradise Angie, in the arms of our Lord. ❤️✝️🌹*

“ Angie Vallejos Silva was born in Belen NM on October 23, 1942 to Juan and Justa Vallejos. As the sixth of seven children, Angie had many stories about her childhood. The siblings were very close, working together and caring for each other through the years. Angie met her husband Alex when she was only five years old. After 16 years, she finally agreed to marry him and they were wed in December of 1962. After their wedding, Angie continued her loving ways. Angie was very busy raising her two children, caring for her mother and working in the Belen Consolidated Schools Cafeterias, where she nourished the hearts and minds of Belen youth for over 20 years. Angie retired as head cook at Belen Middle School in 2000, only to help care for her grandson and granddaughter, and later her great-grandson. Angie was always love in action, a force in motion.

Cesar Chavez said, “The people who give you their food, give you their heart”. This could not be more true of Angie. Her recipes and skill in the kitchen were the stuff of family legend. Angie had a talent for being able to cook something delicious from practically nothing. And when you sat at her table and ate her food, you knew you were loved.
