“ *Jermaine and Gino, First of all Our Deepest Sympathy in the loss of your Mom and Best Friend. She was so special to all of us. Some of our memories of your Mom will be of us just visiting with her at her home and having fun at the Yard Sales. We know that she had so much fun just meeting all kinds of people dropping bye and just talking to them. She always had a big smile on her face with those big dimples and that little laugh she always had. We are going to miss her so much. I know she is singing up in heaven with all the angels. May you rest in peace our dear and loving Anna Mae and though we grieve reaching for your hand in vain, our faith is such that we believe that all of us shall meet again in heaven. May God's gentle love surround and uplift you, filling your hearts with his consoling peace. With all our Love, Uncle John and Casilda*
