“ It is with a heavy heart that I am expressing my condolences to the family of Annabelle, especially her daughter and grandchildren. Annabelle and her family were our neighbors in Tome in the 1960's. Although there was a 7 year age difference, Annabelle always treated be like her equal. I often told her that she taught how to dance the "jerk" the "mash potatoes" and of course the "swim." She was definitely a positive influence on me while growing up. I will never forget her, her beautiful Mother and the rest of her family. May you rest in Peace Annabelle and may the Angels help you on your journey to heaven.... and in greeting your Parents and brothers!
Love,
Clara
