“ *We send our deepest sympathies to all of Annette's loved ones. We pray for God's Strength and comfort during this time. Annette had a lot of faith. She spent her last days preparing to meet Jesus. I am blessed to have met her prior to her death. The legacy I saw she was leaving behind is a beautiful, loving family who believes in Jesus's Love and Mercy. That's part of what God wants of us, to Love and trust in His Mercy. Annette, I am blessed to have met you. Sincerely, your cousins, Crissie and Mark Leyba*

“ I have quite a few memories of my beautiful Cousin Annette . One time She helped me build A float for the Christmas parade & she drove the truck pulling the float dressed like a cow Bcz it was a dairy float. We had such a great time. We would also talk on the phone sometimes as long as 5 hours till 3 in the morning. She always made the time to call & keep in touch . I like her witty comments & how she always had something funny to say . I miss u & i am so sad this has happened.
