“ *The most selfless person I have ever met whose happiness was arrived by making others happy. One of my best friends for nearly 10 years. Even with our busy lives we still managed to make time to catch up for a few hours every month or so. My heart aches for you and your family Anthony. I love you and cheers till next time.*

“ *Though I was in school with his sister, Cindy, I also enjoyed talking to Anthony. His positive attitude and entrepreneurial skills were second to none. I especially enjoyed a superb cheese n' chile tortilla burger at his restaurant: Harla Mays. His restaurant's wall decor were amazing as well! May Anthony rest in peace.*

“ *I consider Anthony to be a second father to me. I will always remember playing 6am basketball on Saturdays. He helped me grow as a person and understand friends and family were the most important things in life. I feel blessed that I was able to be around this wonderful man. Anthony and Carmen will always go down as the "Greatest Youth Group Leaders" of all time. Thank you for being a part of my life.*
