“ *My condolences to the Romero Family. May God wrap his loving arms around the family. Anthony Romero is gone but not forgotten. He will forever be in our hearts. The angels are always near to those who are grieving, to whisper to them that their loved ones are safe in the hand of God.*

You don't get over it, you just get through it. You don't get by it, because you can't get around it. It doesn't 'get better'; it just gets different. Everyday... Grief puts on a new face.... Love David and Renee Zamora.
