

## Antonio H. Quevedo

January 11, 1956 - May 14, 2018

1956-2018

Antonio Quevedo, age 62, passed away on May 14, 2018. When people think of Antonio, also known as Tony, they can recall a great musician. He was a man, who for the most part, kept to himself. Antonio was wise beyond his years and was able to avoid controversy and gossip. He knew how to let go, and leave everything up to God. Antonio was in the U.S. Marine Corp. He learned how to master Japanese and Chinese Martial Arts and was a phenomenal artist. In his prime, he was known to be a great disco dancer. Antonio is survived by his eight children; Elizabeth Candelaria, Efren Candelaria, Michael Quevedo, Eva Quevedo, Troy Quevedo, Anthony Quevedo, Angelo Quevedo and Andrea Quevedo. He is also survived by 14 loving and beautiful grandchildren, and he was a loving father, brother and son. Antonio will be missed here on earth, but now is in a far better place. Rest in Peace. Services are pending. Please contact Romero Funeral Home for further information. (505)864-8501. “ Antonio, was my dad. I still wonder sometimes if he stuck around. If he'd love enough to change, and become a better person.

He wasn't in my life for very long. He.. changed after i was born, so my mom says. That he grew more, hostile towards her. He was abusive. I'd have to try and defend my mom or protect her. I was like, an object of peace because he wouldn't due to me being so little.

He was gone around the time i was 6 or 7.

And then i heard that he passed away.. when i was 13.

Im 18 now, turning 19.

I dont know if im really, welcome here. But i exist.

I was, his daughter. My mom wasn't a cheater, shes not the type, nor ever would be. Trust me, shes only been with 3 men her whole life. Shes 59 now. She doesnt do flings.

...

Sometimes i wonder if, anyone that is, also his daughter or son, even wonders about me.

I wonder about them a lot.

But maybe thats.. just me being a lonely cut out again haha.

Ive always, just, kinda been by myself.

Even with my mom, she tended to push me away. I mean i dont blame her she went through a lot. I just, i dont know now.

Im at a stage of life where im questioning what even family is.

I wonder if he considered me as family or.. just a kid that his gf got pregnant with.

They never married.

...

I remember a birthday, its my favorite memory.

My dad was good, hanging with me and mom before i got sent off to school.

A SpongeBob birthday cake, isnt that silly?

...

I was happy because, it was one of the most awesome, moments.

He seemed active with us. Not all.. zonked out or upset.

*I was 5 maybe. It was before i even started school.*

....

*I wonder what things couldve been like.*

*My heart hurts knowing what is.*

*Wishing it could be.. not so hollow. And broken.*

*I wonder the life that couldve been lived if things were just get thru, improve..*

*Stick together, get better...*

*Im not selfish either, i wouldnt ask him to only be in ny life, but, all my sibilings and him.*

*Connections, and there. Not.. scattered and lost.*

*Maybe though who knows.. if someone sees this...*

*Its Andrea.. Quevedo... born in 2006 on September 29th..*

DO

“ I'm Tony's step sister and I think I saw somewhere that he was in the Marines ? Nope he never was and he did take karate but not a black belt. I thought alot about posting this and had to say this stuff. Tony was selfish and mean a liar and a thief and drug dealer when he was younger. That being said I hope he has found peace and that when he had gotten older he became a better person because him and Blanca were not good people they made my brother and my life hell.

TO

“ this is from troy Quevedo i have a lil truth to say with some memories i can recall . NOW if It was up to me. me & my dad would of had a lot more days together THATS 10 years DEEP witch I really wish we could of had before he pass sad but true. if I would of new this was coming and could go back in time I would not change shit tho. for that said my dad was a jerk. and let me start of why all out throw my childhood my dad would kick my ass would just break every one of my toys besides my lil brothers and tell my mom that when i turn 18 years old I'm going to try and beat him up witch NEVER FUCKEN HAPPEN. maybe he was scared of me growing up of that happing . also he would try and hit on my wife when i got older behind my back what fucking grandpa try's doing that to there son & grand kids makes me sick . when I had stop talking to him when it just became to much was 2009. when me and his friend had got in to it over the phone. my dad brought him to my house to fight him i kick his ass. no dad should bring there friend to fight there son. but my dad was not like a dad to me at least from my lil brothers .one thing I did not like my dad would do is go by I well pay you back thing . I told him were family if you need money or I do if important no need to pay back any thing but guess he didn't get that. for my two lil brothers tony Quevedo Angelo Quevedo and my mom Debra quevedo there even more of a jerk. the type I don't need my kids around to make a long story short the black sheep of the family I guess is who I am sad but like a soldier got to carry on. on like some fake bitchs clame don't need that drama in my life. for my dad I have no hate with you just wish you was not a jerk wish i could of showed you some of my ww2 GI joe stop motions films you would trip out if you seen them. I'm really good and i still have all the ww2 figures you gave me back in 2009 i wish things could ben better between us hope you are in a better place vato. R.I.P 113%
