“ My and Mark’s prayers and deepest sympathies are with Sis Armida’s family. She was truly a blessing to me. I met her first when she came with the Legion of Mary to visit me and bring me the Pilgrim Virgin. She holds a very special place in my heart. She gave me peace during her visits. I was able to call her Sis when I became an active member of the LOM OLOS. I enjoyed going to visit the Spanish community with her and learning how to pray the Rosary in Spanish. She was so giving of her time, service, and talents. She never expected anything in return. She was a great example of what God calls us to be as His children. She was a great soldier in our Legion of Mary. She fought the good fight and left us her legacy to continue fight the good fight. She will never be forgotten. ¡Armida te amo mucho!
