“ You were my long lost friend! Last time I saw was in the Walmart parking lot! What a great time we had talking about the good ole days!!! We used to have so much fun. When I first met you I was kinda scared of you. I think this why we became such good friends. People say friends may not see or talk for long periods of time, this was us. And picked up pretty much where we left off. I am going to miss running into you my friend! The one comfort I get from your passing is you suffer NO MORE. Aurelia you are free from pain & illness. May your soul rest in peace, I can say I have gained another beautiful angel. Amiga Siempre. God Bless your family & I pray you all find comfort knowing she no longer suffers. Berna
