“ *Barbara was my neighbor growing up and was always so kind to us, teaching us new things. The best thing was come Christmas time she'd always bring us the best cookies ever and every year we looked forward to them. This year my sister and I will be making the same cookies in her honor.*

“ We have known Barbara for over 30 years. She was a cornerstone of her family. Caring for her husband and her boys seemed to be what gave her the most joy. To us she was always a friend who was generous and kind and who's life demonstrated God's love. Barbara lost this last battle, but won the war as she is now with God at peace and looking down over her family.  
We miss you. All our love to Klaus, Peter, and Josh

“ Klaus,  
So sorry to hear of your loss. I remember practicing at your house

“ Thoughts and prayers to you, Klaus, and all  
the family of you and Barb. I know she was  
the light of your life. I hope all find some  
comfort knowing she's just moved into a  
different "here" than we are in now, and you  
will all meet again.
