“ *Barbara was a kind and talented lady. We used to refer to her as the "Victorian lady." Her artwork was unique and always unexpected. Her use of color was one of my favorite things about her work. I'll miss you, Barbara but I know you have bigger things ahead! I will not forget your many kindnesses and your example of being such a positive person!*

*Aloha, my dear!

“ I haven' seen Barbara in years, we used to go to a focus group every Thursday. I remember seeing Titanic with her when it first came out, we cried of course.

We went to a sweat lodge together, at Ava's house in Socorro., we were not sure if we were going to make it, it was so hot!! But we did. When the focus group fell apart we lost touch with one another. My condolences to the family she left behind.

“ I really loved getting to know Barbara through the Fiber to Finish Guild. I always looked forward to seeing what she made each year at our Annual Show. She was so creative and talented and I will really miss her. I am so glad to have a few pieces of her work, purchased through the years, that continue to make me smile and think of her. To Barbara's family, I'd like to send my prayers and condolences.
