“ Raymond, we have shared a good friendship with you and Barbara as our neighbors and classmates since St. Mary's School. Barbara was always so much fun and enjoyed helping us at our Auctions. She always carried on very intelligent conversations. Her phone conversations were especially enlightening concerning world events. She always knew what was happening in our community and around the world. Barbara had a very kind spirit and a heart of gold. She will be greatly missed by those who were Blessed to know her.
