“ To all the wonderful family and friends who have shared a heartfelt memory, lit a candle, offered condolences or extended your support to each one of us during this most difficult time in our life, words cannot express my complete heartfelt gratitude I want to extend to all of you for your support, love and kindness. Just reading and hearing the kind words you have said about my beautiful and loving mother, my broken heart is slowly beginning to heal because it is so comforting for me to know that my Mom touched so many of your hearts. I miss her so much and wish I could touch and hear her voice again but close to my heart will be the beautiful words she always said during a difficult time, ‘Tienes que tener fe en Dios Y le pido a Nuestra Señora de Guadalupe que te ayude’ (you have to have faith in God and I will ask our Lady of Guadalupe to help you too) . Those words will bring comfort to my heart and I know that someday, we will meet again. Que Dios bendiga a todos ustedes por todo lo que has hecho (May God bless all of you for all you have done)
