Armijo family,

Your dad and mom were the roll models to our community. I had the opportunity to talk to your mom and always gave us positive words about our boy's. Ben always had a joke and would enjoy the boy's as they continued their ministries in Altar Servers & lector's. After he had his surgery, we did not see him much in church, his smile will be missed!

God Bless You, M/M Gino Storey & family

“ *Dear Armijo Family,*

It is with great sadness that we say good by to Ben. He was a wonderful man and we will miss him. We know how much he loved his family. We know he missed his beautiful wife these past years. We also know how much his family loved him, and gave their time and help to him whenever he needed them. Ben has given a gift of love and an incredible legacy to his children and grandchildren. He was a special man; even when he was in pain he would manage to tell a corny joke and make us smile. We will honor his memory and be forever grateful to him for his kindness and friendship.

We are praying for all of his dear family to take comfort in knowing he is enjoying the presence of God. We know Jesus is saying to him: "Well done, good and faithful servant. Enter into the joy of your Lord!"

God be with you.

“ *Armijo Family,
What a joyous reunion Uncle Ben and Auntie Patti are having as they are reunited once again. They are in heaven now, walking on streets made of silver and gold, hand in hand with Paul. No more worries, pain or suffering. Treasure the memories from the bad to the good. They are yours to keep, forever in your heart. Y'all are in our thoughts and prayers. May you find the peace, comfort and strength to get you through this difficult times now and in the days to come. We lift this family up, in prayer, as y'all carry on the legacy of your Mom and Dad. May God Bless each and every one of y'all. Uncle Ben you were one of a kind with your witty jokes and comebacks. You will be missed by so many. Who will keep my mom informed about the tornados in Arkansas? Who is going to proof read the bulletin at church? And, many other tasks you did each day. Whoever that person may be, they will have some mighty big shoes to fill. Your kindness to my family will never be forgotten. You will always be Uncle Benny to Rodney and Tyler. I told them you were Uncle Ben not Uncle Benny...you smiled at me and said it's okay, I have been called worse. With a heavy heart, you will be missed by us. Till we meet again...we love you!

“ Dear Ben's Family,

Want to give you our deepest sympathy. I know your dad is now happily reunited with his dear Patti. Ben drove me to work while we both worked at Sandia National Labs. We had many wonderful conversations about chile, God, family, weather and many other topics.

His life was filled with loving children and grandchildren. I know you will miss him, but know that the Dear Lord now needs him and best of all, he will be with his dear and beloved wife.

God Bless you in this time of sorrow.

With deepest symphany and prayers,
