“ Johnny, Annabelle, Katie, Eileen, Andy, Cyndi,
grandchildren & great grandchildren,

*Our condolences on your loss. May God Bless
you all during this difficult time.*

*I will never forget the time I took my Dad (Fermin) to visit Bennie, oh
what a long visit they had catching up on life.*

*My Dad (Fermin) also went on his own one day to go visit Bennie
because he couldn't wait for any of his own children to take him to
visit, but Bennie wasn't home that day, on his way home he got into
an accident.*

*He was determined to go visit her with or without any one of us
taking him. I'm sure they are all together in Heaven catching up &
dancing.*

Sending hugs & prayers to all the family.

“ We were saddened on hearing about Benny's passing. Saddened and joyful at the same time. Joyful because if Bennie is not in heaven then most of us don't have a chance. Saddened for her family because it's never quite the same when your Mother is no longer on this earth.
I met Mrs. Eloy Sanchez back in 1973 when we were neighbors for a few years. As I remember, besides being a good and respectful lady, she was also a devout Christian who embraced her Catholic roots!
Your job on earth is done and now you are joined with your beloved husband Eloy.
Rest in peace dear lady.🙏
