“ Bernadette & family, I am so sorry that Benny has passed. He and my husband Leroy grew up together and both were very mischievous but those memories were in Leroy's heart! Benny was a wonderful person, I would always meet up with him at funerals! I was sorry I missed his services but my prayers were there, for him and your family! I know we're all going to miss him but rest assured he is in the loving hands of our Lord. And as for you and your family, God will continue to bless all of you. My thoughts and prayers are with you all!

“ Very sad you are now gone from this world. Your positivity and "dad" jokes will be what I miss and remember the most.

God has decided it was time for you to join him in his kingdom of Heaven. Go forth and be with your mom, dad, and brother who I'm sure are also glad to welcome you home. Until we meet again, love and peace be with you uncle Benny.

“ I am truly heartbroken for all of Benny’s family and friends. Please accept my deepest condolences and my prayers for God’s hand of comfort and grace upon all of you. I have sweet memories of Benny as a pharmacist at Guggino’s, helping me with thorny problems when I was a young mother. He had such a loving and giving spirit and never failed to lighten my load with sage advice, his beautiful smile and ready laugh. I know he will be sorely missed by all who loved him. I’m sorry not to have stayed in touch with the family over the years. Much love and many blessings.
