“ Our deepest condolences to Bernie's family. We are so sorry for your loss--for our loss really, because Bernie was so special to all of us. She was so considerate of others and was always ready to help anyone and everyone. Bernie was such a big help to our family during our dad and mom's illnesses and she was such a comfort after they passed away. My mom and dad, as well as the rest of our family, loved Bernie so very much. She was so good to all of us. She was always there for us. She was kind, loving, compassionate and helpful. She gave of herself freely and willingly. She was a blessing to all of us. We will miss her very, very much.
With love and prayers to all of Bernie's family, The Moyas and Medinas
