“ I am so glad I was able to visit with you a couple weeks ago. I always remember you saying, Come visit me I live at 123 Bethel...I was blessed to have had you in my life after Mama's passing. You made me feel better even though we'd both cry. But reminiscing with you was awesome. I'm going to miss we will never be able to do that again. Auntie Bernice I love you and will always. I know you had a heck of a welcome
