“ Our most sincere condolences to Jerome and his family on the passing of their beloved Bertha also lovingly known as Bea! 😭  
I got to know Bertha well during our 12 years of working together. At the end of the twelve years Bertha became a dear friend of mine! Bertha was a hard worker and her work ethics were admirable. Bertha's family was her number one priority. I remember her talking on taking care of her Mother and it was done in a loving and compassionate manner.  
I thoroughly enjoyed listening to her, her manner of speaking was soft and that garnered everyone's attention.  
You will be missed my dear friend and I can't imagine how much more you will be missed by your family! 😭  
May God give her family strength in the days ahead and may HE give them comfort that she is no longer in pain and as a woman of faith is now praising our Lord Jesus! ❤️
