“ I remember when my sister and I went to see Aunt Bertha and Uncle Ray in Minnesota. We didn't know what to expect. Never having met them before our Dad's funeral. She was my Dad's (Elmer) older sister. She was the nicest person and welcomed us with open arms. Aunt Bertha took us clear to Racine, Wisconsin to meet our Aunt June and her family. We visited all over Minneapolis to see relatives we had never knew and see. my sister Sue kept in contact with her all these years and called her at least once a week to see how she was doing. Sue had always told me to call her, but I never did. My loss. May this beautiful lady rest in peace..

“ Greetings from Minnesota where despite cold weather we are preparing to receive Bertha back “home” after many years living in NM.

She is a spiritual grandmother to so many. And the Episcopal Church has been so blessed by her love and devotion. Thank you, daughter of God and beloved friend to many.

“ Rick Wheelock - I plan to attend the funeral - and wish all Bertha's (and Ray's) family and friends our very best. We'll miss Bertha's great sense of humor and her friendly support for our family over the many years. My parents, Irene and Martin Wheelock, and the Lightfoots were always great friends and I will always remember her smile - she found ways to encourage us all! Thinking of her reminds me that as a child, My sister and brother and I would always look forward to seeing her when she and Ray visited our family -

Bertha and her late husband Ray were lifelong colleagues and dear friends to our departed parents. Both of them, but particularly Bertha, always treated us as the kids they never had, i.e., they spoiled us with love. Peace and Love to the last shining light of that wonderful generation.
