“Bette was a very dear lady, friend and neighbor to our family. I will always be grateful for care and concern she (and Jack) displayed for my family especially during a very difficult time. And, of course, I can't forget that she took such good care of our dog, Sugar, that Sugar actually became a member of the Ward family! My sincerest sympathy. You were blessed with a wonderful mother.” Luann Spicer

“ I remember Bette (Pee Wee) working at a small sandwich shop inside a little store in Richmond In on the west side. I used to work in a nearby factory & some coworkers & I would go there for lunch sometimes. That was in the 70 s. we all loved her- she was always smiling & so perky. She was a bright spot in our day. I'll never forget the day I ordered a hamburger deluxe & when she brought it & it had everything on it except the meat. We sure had a laugh about that. Sure a sweet lady. I'll never forget her. May she rest in peace. My sincere sympathy to her family.
