“ Dear Herman,

My deepest sympathy for the loss of you dear wife of over 6 years. It's been years, but still I was thinking of both of you today and wondering how you were. I googled it and I was saddened and shocked to find this.

I was reminiscing this morning and telling my husband about (you and Betty) such wonderful couple, we had met 31 years or so ago; through the Wish Foundation and Mary Hulman, owner of the Indianapolis 500 years. My son Mark was granted his wish to go to the Indy 500. My daughters, Mary Ann and Michelle also were ask to attend.

Then we met both of you in Mary's suite while attending the Indy race back in 1988. Eventually, we traveled to Belen, NM and visited you and Betty. Years later you guys came to visit us, while you were here for another Indy race a different year. You came to visit us in Indiana. We still treasure those memories.

May there be comfort in knowing that someone so special as "Betty" will never be forgotten.

*With love and remembrance,
Marty from Linden, IN 47955*
