“ A year ago today I had two double massive heart attacks. I died for 15 min. I went in to surgery and when I came out I learned that you had died of a heart attack... I have to say thank you. You gave me life on Aug 7 1979 and then I honestly feel you gave yours for mine this day January 26 2021. I never knew you as a mother. But thank you for you double gift of life mom You are thought of today more then you know. And for the first time ever saying it. I love you mom thank you for you gift. Xoxo 💕💔😇 thank you because the past year be has been hard it also has been freeing and amazing. Kiss baby 🐝 for me ...xo

“ Mom you are forever in my heart. One of my memory is one Christmas Eve we all went for a ride and came home from the ride and Santa came. When all of us walk in the house all the presents under the tree. I can remember that like it was yesterday. All us kids was so happy. RIP mom. I love you and we will met again at the golden gate. Give Debbie and Vicki big hugs and kisses. Love your daughter Sue
