“ Please accept my sincere condolences in Brian's untimely passing. I have very fond memories of Brian, notably our time spent together at catechism and confirmation classes we attended at Immaculate Conception Parish in Tomé. He was a cut up, and I was always up for a laugh....

Although it had been several years since we'd spoken or seen one another, I never forgot the fun times we had.

Prayers for peace and comfort for those who loved him most...

Respectfully,

“ I got really sick when I finished my freshman year in the summer. When I went back to school for my sophomore year, many friends turned their back on me, but Brian was always there for me.

We were in the same math class in middle school and I would always joke around with Brian and tell him, “Did you have your mom dye your hair white?” I would tell him this because he had white hairs. Then he would tell me, “Yes, so I can look like a skunk!” I would then tell him as long as you look like a skunk, but not smell like one. We would really start laughing at this and would have so much fun.

Having him as a friend was a blessing. My sincere condolences to all of the family. God bless you all.
