“ Brian and I have been real close since we were little kids I'm going to miss all the memories that we had like hunting hanging out and keeping in touch with each other or our laughter. I'm going to miss you Brian even though you're in heaven now we will always remain close. Love you..

“ Dear Karen, Brittany, Stella and the rest of Brian's family who loved him dearly as was witnessed when I visited the family the day after his passing.  
I would see Brian as a child attending Mass in Tome with Grandma Stella. Although I personally never had a conversation with Brian, it was quite obvious that he was a good kid who was obviously very loved by his family!!  
My husband Gilbert worked with Brian at the railroad and the first memory he had of Brian was that he was an avid reader. He always had a book with him and was always reading between breaks!!  
Karen, you and your Mom and all your family are in my thoughts and prayers during this very difficult and trying time! 😞  
God be with you and Brittany....  
Your cousin,  
Clarita
