“ *I have so many wonderful memories it would take a book ti describe what my cousin meant to me. We were small children one living in Herlong the other in Portola. I moved to Herlong at a very confusing time in my life but thank the Lord my cousin was non judgemental and stayed my my side. I can remember falling off a horse with her dodging the spotlights of my uncle Pio"s truck and having to call my cousin Dennis to bring her a change of clothes after a party. We took my cousin Ricks car one day and a cherry off a cigarette fell in the seat and we doust it with beer. Rick handled it very good but we did have to detail the car. I was there when she burried her mom and by her side when she lost her father. I speant hours on the phone with her when her brother died. I was beside her when her son broke his arm on tge trampoline. But ont of the funniest memories was when we were parting at my house in Belen and she was tired and crawled in bed with my husband who retired to bed hours earlier. If you knew BT Express you knew she did what she wanted when she wanted. My husband never moved so fast in his life. I will forever love you my dear sweet cousin. We will be together in our final resting place God willing.*

“ Rick and Dennis,
We are so sorry to hear of the passing of Bridget. She was such a sweet girl, always had a smile on her face and laughing. She was so good to our kids. I remember living across the street from your family in Herlong. Your parents were wonderful people and treated us like we were part of your family. We remember spending Christmas Eve at your house many times and eating all the good food your mom cooked. Our kids always looked forward to that. May God bless Bridget and welcome her home to be with the rest of your family. May he bless you boys and sustain you while going through this difficult time.
You both are in our thoughts and prayers.

“ My most vivid memory of Bridget - I went with her to the beauty shop, she was getting her hair done for prom. She was making all of us laugh while we sat there and watched her get her hair fixed. She had the most beautiful, long black hair. I hope you rest in peace my friend & classmate. My deepest sympathy & prayers for the Torres family.

“ Bridgette we went to school together from kindergarten through high school graduation. Kids grow and move in their own direction in life but we get to keep our memories. Mrs. Davis was our kindergarten teacher and we had a store in the room. Many hours we spent playing in that store. You also had a pony (can't remember the name) however we spent many summer hours riding that pony around. We grew into young adults with visions and opinions of our own but on graduation night we all felt like we were losing a family member as we moved on in life. I hope your life found all the joys we wished for one another. Again here we are with the same feeling of loss of family. Good bye friend. May you rest in peace. You made us smile and shared the love you had to share. May you rest in peace and may family find comfort and love with their memories and stories of life with you. I have many memories that help me through. Go to your resting place and join the other angels who will be watching over your lived ones. You are missed. God bless you and your family.

“ Dear Torres Family and Friends,
I wasn't privileged with the remarkable acquaintance of Mrs. Torres as you were, but it saddens me to read of your loss. Please accept my family's sincerest condolences. It brings great comfort to many to know that the Almighty God and Creator promises us in his word the Bible, that soon death, mourning, outcry, and pain will be no more. May you have peace.
