“ My brother was a wonderful man. To my brother I am not Juanita I am Jennie. He taught me so much in life. He always showed and told me how much he loved me. He was always so proud of me, he'd always tell people that's my baby sister. I miss him soooo much already, I can not imagine my life without him. I miss his laugh, sense of humor, his smile, his voice, I wish I could hear him tell me he loves me one more time. I love you mucho brother. My life feels so empty without you. I hope you are okay in heaven, I know you are not alone. I wish I had just a little more time with you. I love you.

But They Both Grew Up, And Then He Became Part Of Are Family Through His Brother Ricky Who Married My Daughter Kathy, Learned To Love The Whole Family, And They All Treat You Like One Of There Own. I Will Miss Carl And Him Or PickIng On you. He Was Very Good At Doing that. Good Person To Know, Very Kind Hearted. And He Would Help You If You Asked.*

“ *The memories of his sweet smile that Carl always had when he was surrounded by all the family. He always greeted everyone with a hug and a kiss on the cheek. He especially loved his nieces and nephews by always playing around with them. He would often say " we are all family and he doesn't care what anuone says". Hed had a good heart and he will be missed by all of us. RIP Carl!*
