“Marty and I grew up in San Antonio, NM., Arvizu's on the west and Aguilar's on the east end. He was always a happy guy, who didn't know a stranger. He loved his parents, he doted over his mom and treated her with respect, I admired that. He was a hard worker. His love for his daughters and their families was immeasurable. No matter which direction life took us we kept finding each other and it was as if we had never been apart. I miss you my long time friend, the memories we have made will last me my life time. May the name of Carlos Martin Arvizu be a blessing forever. 🇺🇸 🕎
