“ Hi Granny! I'm posting this from your house. This is the first time in 20 years that I've come here and you're not here to feed me. It's bittersweet. As much as I'd love some huevos and red chile, I'm glad you can finally rest. Get your rest but please have a plate ready for me when we meet again ❤️ We love you Granny.

“ *Do not stand at my grave and weep;
I am not there. I do not sleep.
I am a thousand winds that blow.
I am the diamond glints on snow.
I am the sunlight on ripened grain.
I am the gentle autumn rain.
When you awaken in the morning's hush,
I am the swift uplifting rush
Of quiet birds in circled flight.
I am the soft stars that shine at night.
Do not stand at my grave and cry;
I am not there. I did not die. ✨*
